VS

RICARDO LEE

Defendant.

DEFENDANTS MOTION TO MODIFY

OR TO TERMINATE SUPERVISED

RELEASE TERM

Now comes the defendant Ricardo Lee pro'se by and through counsel petitions this court for an order terminating his term of supervised release pursuant to 18 U.S.C. 3583 (e)(1) and discharge him from custody immediately. Since it serves no means of justice to order the defendant to serve a prison term, or to admit him into federal prison for mental health reasons, or to continue the defendant on supervised release based on (3) positive urine screens, and missed urine screen appointments. With no new criminal conduct and the defendant was and is cooperating with treatment.
